

SPECIAL INVITATION

To: All GSR's and other elected officers of AA Groups in District 11

From: Your District Inventory Committee

Subject: **District 11 Inventory**

Just as many individual AA Groups see a benefit to taking a regular group inventory, your District Committee believes our District could perhaps better serve the individual members within the District by taking a District Inventory. We therefore **ask all GSR's and other elected officers** within each group to join us in that effort so that we may have your valuable input. We have invited **Homer M**, Alternate Delegate for Area 51, to be our facilitator and to help guide us through the inventory process.

Date: **November 13th, 2011**

Time: 2:30 – 4:00 pm (immediately after the District committee meeting @ 2:00p.m.)

Place: St Luke's Episcopal Church, 170 Councill Street, Boone, NC
