

## REQUEST FOR 12 STEP VOLUNTEER WORK

We are in dire need for both male and female volunteers to carry meetings to the Ashe County Jail located in Jefferson, NC.

The meeting will last approx. one hour per week and you will have a meeting with about 12 inmates and a guard. You may coordinate with the head jailer for the day and time of your visit. I am currently visiting on Mondays at 9:30 am.

There is a jail volunteer application which must be completed and returned to me so that I may turn it on to the head jailer for review. Upon acceptance, I will notify you and we can make a joint visit for the first couple of times or until you feel comfortable on your own. Please contact me at the information below so that I can send you an application.

I really, really look forward to hearing from you.

Steve T
